CAPABILITIES NARRATIVE

AV Construction Group Corp delivers residential, commercial, and industrial construction services throughout the State of Florida. The company provides integrated, multi-trade construction solutions under a single point of responsibility, allowing clients to streamline coordination and reduce project risk. AV Construction operates through licensed General Contracting, Mechanical (HVAC), Roofing, and Underground Utility and Excavation disciplines, with additional expertise in electrical and plumbing scopes. The firm emphasizes quality workmanship, strict regulatory compliance, and efficient project execution across new construction, renovations, repairs, and specialty construction services.

CORE COMPETENCIES

- General Contracting (Residential, Commercial, Industrial)
- New Construction, Renovations, and Repairs
- Roofing Systems (Flat, Shingle, Tile, TPO, Metal)
- HVAC Installation, Replacement, and Repairs
- Electrical Installation and Repairs
- Plumbing Installation and Leak Detection
- Excavation, Boring, and Underground Utilities
- Impact Door and Window Installation
- Construction Consulting Services

KEY DIFFERENTIATORS

- Multiple licensed trades under one contractor
- Single point of accountability for complex, multi-scope projects
- Strong emphasis on regulatory compliance and safety
- Reduced coordination risk and improved schedule efficiency
- Experience across residential, commercial, and industrial markets
